NBCOT Exam StudyPack

The NBCOT Exam StudyPack includes a wide variety of NBCOT's Aspire study tool products PLUS new tools unique to StudyPack that are not available for individual purchase.

Tools Unique to StudyPack

Dashboard Tracker

Track your study progress and see how you are doing compared to others who are preparing for the exam.

Pre-Test

Use your results to fine-tune your study plan as you move through the platform.

Digital Study Guide Questions

Answer questions from the Study Guide presented in an electronic format with references, answers, and rationale.

Practice Sims NEW

Interact with clients and test your clinical reasoning skills as you determine the best practice strategies to help each client achieve their goals.

Mini Tests

Receive immediate feedback with answers, rationales and references on these 50-question Mini Tests that align with the domains of the exam.

Full Practice Exam

Use the Full Practice Exam to monitor your time management and determine any gaps in your domain-level knowledge. It includes the same number of questions you will receive on your test day.
