Mobile Apps for Patients and Clinicians

Exceptional care begins with exceptional training.

Learn strategies you can apply the next day through engaging, evidence-based courses. MedBridge courses include patient demonstrations, 3D models, motion graphics, and Q&A sessions.

- ✓ Earn CEUs Anytime, Anywhere
- ✓ AOTA-Approved CE Provider

Help patients reach their highest level of function.

Get patients back to their daily functions and the activities they love with our Patient Engagement platform featuring our Home Program Builder, Patient Education, and Patient Mobile Apps.
